

Sun-Sentinel

The second-floor terrace

THE DESIGNER:

Christopher Coleman, of Christopher Coleman Interior Design, Brooklyn, N.Y.

THE ROOMS: Terrace and media room on second floor.

THE VIBE: Young, hip and unconventional.

THE TAKEAWAY: Coleman envisioned a family with young children who would go for a fun, kid-friendly environment. The pair of colorful mirrors, which are each trimmed with 400 acrylic discs, were made by hand for Coleman. The Lycra rug, which resembles bright yellow spaghetti, is from ABC Carpet & Home, which has a store in Delray Beach.

GREAT IDEA: Don't be afraid to go funky for the kids.
